Progress Towards Meeting District Goals

1996-97 Goals

Progress

Our staff's major goal is to improve the community's image of our school by improving the educational climate of the school.

By September 3, the staff will be reorganized to address student population changes. This will be accomplished by realignment of the teaching assignments and having Mr. Finch teach 7/8th grade math. Hire two new aides, create an elective instruction period for 30-60 minutes each day. (Art, Music, PE, Life Skills/ Technology)

By January 1, 1997, fully implement a district approved teacher evaluation process.

By August 14, 1996, meet with faculty to discuss major goals and objectives, and schedule regular faculty meetings to address the ongoing needs of the school.

By October 1, 1996, review with the board and faculty Project 2000 goals and objectives.

Continue and Improve existing programs

During the 1996-97 school year the school will continue the existing extra curricular activities, skiing, wrestling, basketball, and all other activities as they now exist. By October 1, 1996, the school will explore the inclusion of soccer and a possible swimming program.

Communicate with the districts that educate our 9-12 students in order to articulate curriculum

By January 1, 1997, Mr. Finch will have contacted the Ririe and Idaho Falls School Districts to determine basic skills needed by the schools' 8th grade students in order to be successful.

By January 1, 1997, Mr. Finch and the staff will develop a plan to coordinate the curriculum K-8, based on the information received from the other districts.

Maintain better communication with the community

By October 1, 1996, the staff will have developed a plan to better keep the community informed in the following areas: student progress, school calendars, etc.

By January 1, 1997, Mr. Finch will have organized a site-based council to assist in addressing important school issues

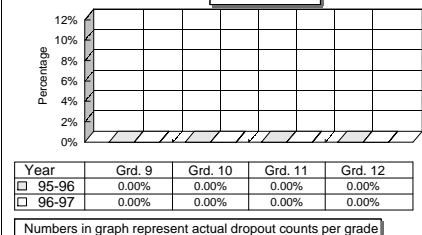

By October 1, 1996, Mr. Finch, with the help of Mrs. Wheeler will create a list of all families in the school district. By January 1, 1997, Mr. Finch will attempt to make personal home visits to each family.
